

MATERIAL SAFETY DATA SHEET

Potato Dextrose Agar Base

Date of Issue: 12/10/2017

MATERIAL SAFETY DATA SHEET

Section 1. Product and Company Information			
Product Name	Potato Dextrose Agar Base		
Catalogue Number	i23145	Technical Phone:	0098 21 66787291
e-mail:	ibresco@gmail.com	Fax No:	0098 2633523460
Company Address	Zist Kavosh Iranian, No.432,		09391003565
	East Kokab Av,45 Metri		
	Golshahr, Karai, Iran,		

Section 2. Composition/Information on Ingredient		
Chemical nature	Mixture of inorganic and organic compounds	
Substance Name	Potato Dextrose Agar Base for microbiology	
Mixture	No disclosure requirement according to Regulation (EC) No. 1907/2006	

Section 3. Hazards Identification

Health Hazards: This mixture is not classified as dangerous according to EU legislation.

Other Hazards: None known.

Section 4. First Aid Measures

ORAL EXPOSURE: If swallowed, make victim drink water (two glasses at most). Consult doctor if feeling unwell.

INHALATION EXPOSURE: If inhaled, supply fresh air or oxygen. **DERMAL EXPOSURE:** Remove contaminated clothing. Immediately wash with plenty of water for.

EYE EXPOSURE: Rinse opened eye for at least 15 minutes under running water, lifting lower and upper eyelids occasionally. Seek medical attention.

Section 5. Fire Fighting Measures

EXPLOSION HAZARDS: Not classified as explosive.

FLASH POINT: N/A

ADVISE FOR FIREFIGHTERS: Special protective equipment for firefighters. In the event of fire, wear self-contained breathing apparatus.

EXTINGUISHING MEDIA: Water, Foam, Dry powder, Carbon dioxide (CO₂).

FIREFIGHTING: Prevent fire extinguishing water from contaminating surface water or the ground water system.

Section 6. Accidental Release Measures

PROCEDURE(S) OF PERSONAL PRECAUTION(S): Avoid inhalation of dusts. Evacuate the danger area, observe emergency procedures, consult an expert.

Environmental Precautions: Do not empty into drains.

METHODS FOR CLEANING UP: Cover drains. Collect, bind, and pump off spills. Observe possible material restrictions. Take up with suitable equipment. Dispose of properly. Clean up affected area. Avoid generation of dusts.

Section 7. Handling and Storage

HANDLING: Observe label precautions. Change contaminated clothing. Wash hands after working with substance. STORAGE: Tightly closed. Dry. Requirements to be met by storerooms and receptacles: 2 - 30°C. Other Precautions: No special measures required.

Section 8. Exposure	Controls / PPE
---------------------	----------------

Components with limit values that require monitoring:

The product does not contain any relevant quantities of materials with critical values that have to be monitored at the workplace.

OSHA–PEL: N/A	REL: N/A	TLV: N/A	

Additional Information: Personal Protection listed below are general requirements for laboratory personnel. Follow
the usual precautionary measures for handling chemicals / powder. Avoid contact with eyes, skin, and clothing.
PERSONAL PROTECTIVE EQUIPMENT

Respiratory: Use respirators and components tested and approved under appropriate government standards such as NIOSH (US) or CEN (EU). Where risk assessment shows air-purifying respirators are appropriate use a full-face particle respirator type N95 (US) or type FFP1 (EN143) respirator cartridges as a backup to engineering controls. If the respirator is the sole means of protection, use a full-face supplied air respirator.

Hand: Compatible chemical-resistant gloves.

Eye: Chemical safety goggles.

GENERAL HYGIENE MEASURES

Wash thoroughly after handling. Wash contaminated clothing before reuse.

Section 10. Stability and Reactivity

STABILITY Chemical Stability: The product is chemically stable under standard ambient conditions (room temperature). Reactivity: The following applies in general to flammable organic substances and mixtures: in correspondingly fine distribution, when whirled up a dust explosion potential may generally be assumes. Avoid strong oxidizing agents. HAZARDOUS DECOMPOSITION PRODUCTS May include carbon oxides HAZARDOUS POLYMERIZATION No information available.

Section 11. Toxicological Information

ROUTE OF EXPOSURE Skin irritation: May cause redness and irritation in sensitive individuals Acute dermal toxicity: This information is not available. Eye irritation: May cause redness and irritation in sensitive individuals. Acute inhalation toxicity: May cause coughing. Acute oral toxicity: This information is not available.

SIGNS AND SYMPTOMS OF EXPOSURE

Carcinogenicity Classification: Not listed. IARC (International Agency for Research on Cancer) - Not listed NTP (National Toxicology Program) - Not listed

Section 12. Ecological Information

Toxicity: This product is not classified as hazardous to the environment under U.S. regulations.

Section 13. Disposal Considerations

APPROPRIATE METHOD OF DISPOSAL OF SUBSTANCE OR PREPARATION Dispose in accordance with all applicable federal (40 CFR 261.3), state, and local environmental regulations. Smaller quantities can be disposed of with solid waste.

Contact a licensed professional waste disposal service to dispose of this material if questions arise.

Section 14. Transport Information

DOT

Proper Shipping Name: None

Non-Hazardous for Transport: This substance is considered to be non-hazardous for transport.

IATA

Non-Hazardous for Air Transport: Non-hazardous for air transport.

Marine Pollutant: No

Section 15. Regulatory Information

Does not apply.

For this product a chemical safety assessment was not carried out.

Section 16. Other Information

DISCLAIMER

For R&D use only. Not for drug, household or other uses.

WARRANTY

The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. The information in this document is based on the present state of our knowledge and is applicable to the product with regard to appropriate safety precautions. It does not represent any guarantee of the properties of the product. *ibresco* shall not be held liable for any damage resulting from handling or from contact with the above product.

The information contained herein is based on the present state of our knowledge. It characterizes the product with

regard to the appropriate safety precautions. It does not represent a guarantee of any properties of the product.
